Bean Feed 2017

The Articles for This Month

Bean Feed

This photograph was taken at the last Bean Feed. It shows one of the best reasons for having it. The sale of equipment. The last bean feed did rather well at that.. Of course, in addition to beans and conversation. The next Bean Feed is coming up, May 5. See you there.

February Meeting

The meeting on February 3 may not be very exciting but it lays a foundation of the operation of the club. That foundation is the by-laws. Fortunately there are no substantial changes and no controversy. The proposed by-laws were printed in the last Local Oscillator so there has been plenty of time to study them.
